rotronic
MEASUREMENT SOLUTIONS

END OF LIFE HW4 AND HL-NT

The HW4 Software was released in 2003 and the HL-NT product range in 2008. Both technologies are outdated and no longer state of the art. Sales of these products will therefore be discontinued at the end of 2021.
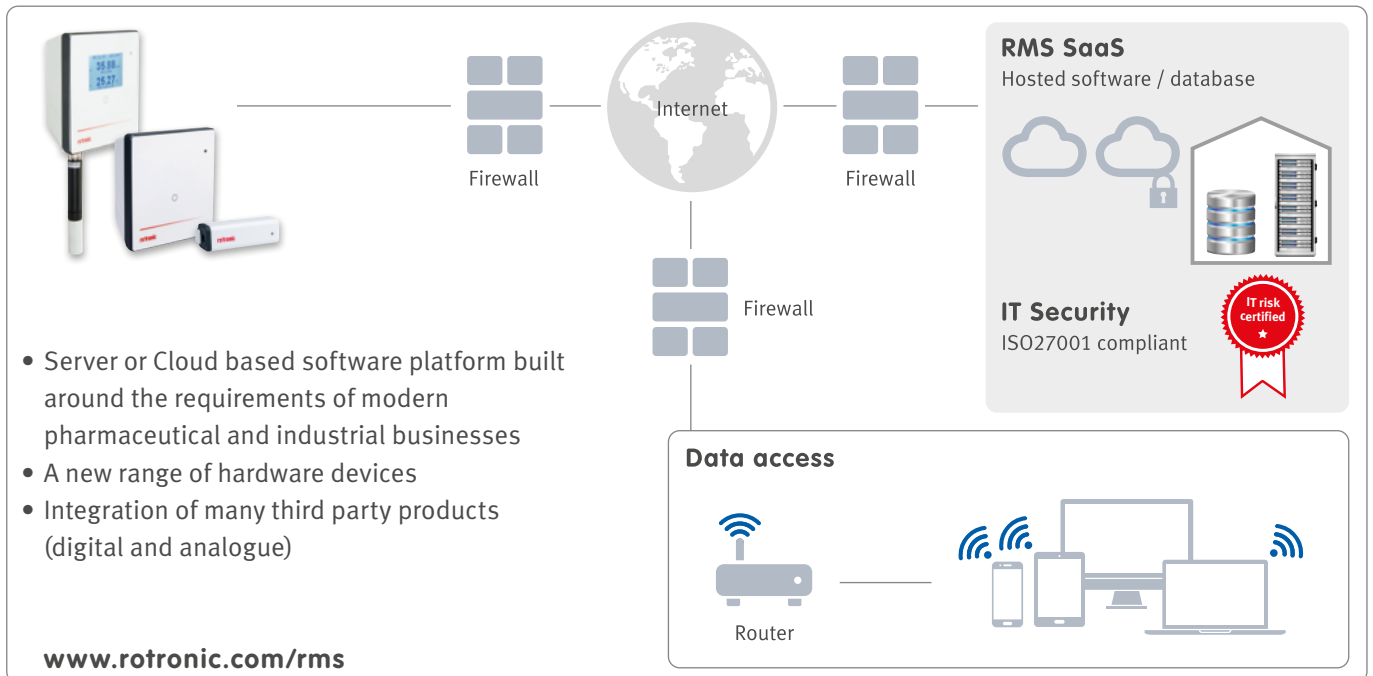

Phase-Out Information:
- Products discontinued by the end of 2021
- Support available till 2023
- Microsoft updates may affect proper functioning of HW4

HW4 Software
Latest version
V3.9 (2019)

HL-NT
Data logger
